Technology Basics for Solos & Small Firms

Modern products and proven practices to base your thriving business upon

Monday, October 5, 2009 – 4pm to 6pm

Superior Court, 235 Church St., 9th Fl., New Haven

Highlights

Today's business landscape encourages many legal practitioners to take more entrepreneurial approaches than have been required in the past. This seminar highlights how small firms can cost-effectively implement a solid technology foundation to grow your business. Topics include:

- Your strategy, plan & requirements
- Branding and identity
- Computers, mobility, and associated gear
- Networking and connectivity
- Standard and specialized software
- Security, backup, & continuity

Panelists

Joseph Nardi Protected Technologies, New Haven
 Kane Bennett, Esq Raymond & Bennett, Glastonbury

Session Format

This seminar will be an interactive workshop jointly presented by a lawyer who understands technology, and a technologist who understands the practice of law.

Kane and Joe have presented legal technology topics to NHCBA in past years, and their sessions have been lively and well received by our members. Bring your business ideas and technical goals, and learn of the possibilities to bring them to fruition.

COST: \$55 Members, \$85 Non-members

\$15 NHCBA law student members, \$25 non-member law students

Reservations are recommended. Materials will be provided at the door. This seminar qualifies for two (2) hours of CLE practice area credit. Please call the office if you need special assistance or a certificate of attendance. Full refund with 48 hour cancellation notice.

The NHCBA has been certified by the New York State CLE Board as an Accredited Provider of continuing legal education in the State of New York. This course is appropriate for both newly admitted and experienced attorneys.
