NHCBA Membership Meeting

Tuesday, May 5, 2009

4:00pm-5:30pm

New Haven Superior Court, 9th Fl. Jury Room

At their March board meeting, the Executive Committee of the New Haven County Bar Association established a Task Force on Assistance Programs for Members. Its purpose is to consider what the association can and should be doing for its members and the local legal community during these tough economic times, particularly those in transition.

As a first step, the Task Force is hosting a membership meeting on Tuesday, May 5, 2009 from 4-5:30pm at Superior Court, 235 Church St., 9th Floor. This meeting will be an open discussion to obtain comments and feedback from bar members about what issues they are facing right now, what role(s) they would like to see the NHCBA take, and gather ideas for expanded services the association might provide.

RSVPs are requested but not required. Call 562-9652 or e-mail the office at NHCBAinfo@newhavenbar.org.

Questions, comments and/or suggestions also may be submitted to NHCBAinfo@newhavenbar.org prior to the meeting.
